The Green Ninja Stealth is our smallest and quietest Satusteam™ machine. Our patented Satusteam™ technology offers a safe zone for everybody - far removed from the obvious harmful effects of poisonous herbicides. Research confirms that Weedtechnics Satusteam™ weed control systems are 3x faster than hand weeding and leaves no toxic residues.

Key Highlights

No spray drift, no worries!

Weedtechnics applicator heads are carefully engineered to have the maximum effect of Satusteam™ on those annoying weeds. All the white clouds you create are just chemical free steam. It is even safe to use your treated area immediately.

Easy Satusteam™ Delivery

The cool-touch lance is light weight, easy to handle. Coupled with the wheel kit, the lance is easily manoeuvrable. You can reach those nooks and crannies with just a feather-touch push!

Shhh! Much quieter!

The Green Ninja Stealth is quietest of our range of machines - making it the best choice for weed control around aged care facilities, daycare, schools, playgrounds, nurseries, hobby farms, nursing homes, etc.

Feel empowered

Weed control with a Satusteam™ machine gives you more time in your hands to dedicate to the things you love. Keep those pesky weeds at bay without breaking your back or stressing your arms!

What's your Satusteam™ solution?

We specialise in creating 'bespoke solutions' for weed control. We listen to your weed problems, analyse your concerns and design a custom solution that is special for you. With top-notch customer service and technical support, you are in for a life-changing experience. We recommend undergoing safe operations, maintenance and productivity training for 1st time machine owners.
